Chairman's Report

Normal Club activities will resume in 2022 following 2 years of Covid restrictions.

All members are asked to identify charities that they have a personal connection with that could be supported during 2022.

The committee will also consider supporting club trips to running events (e.g. coach hire), basic requirements are,

1. Open to all members before entries close
2. Club member volunteering to help co-ordinate

There is no point asking for funding support after entries have closed.
